Special Pattern Notes:

This pattern is worked in the round continuously. Use a stitch marker to keep track of the first or last stitch. Working in the round reduces ends to weave in and allows for a nice backing. Plastic canvas can be inserted before closing so the wall hanging keeps its shape better when hung.

This pattern uses crochet, weaving, and fringe techniques. Find how to add fringe [here](#). To see a [video tutorial](#) of how to weave, check out the [Pot of Gold Wall Hanging](#).

The wall hanging is worked from the top down. Stitch counts include chains.

Embellishments may include, but are not limited to:

Bells, floral/greenery, mistletoe, pinecones, tassels, shells, stones, air succulents, wooden cutouts, etc

Fringe

With Color E, cut 26" lengths and add fringe to last round
entire way around. Two strands were held together in picture
for each fringe. If using thinner yarn, more will be needed.

Bunny

Using roving, separate lengthwise in two. Bunny will be worked
in chain 1 spaces. The shape the chain 1 spaces make is more
of a triangle. Create more of a circular bunny butt shape by
loosely weaving in the upper area.

Tape ends of roving to keep from fraying. Weave roving in a
circular shape from inside to outside of the chain 1 spaces.

Hot glue ends of roving on inside of wall hanging.

Hot glue or sew top of terra cotta pot on both sides of bunny
butt.

Cut 2 pieces of roving approximately 2" in length and glue

for back feet sticking out of pot. Make sure to glue ends of cut roving. Cut small pieces of Color D and use to make pads on back feet.

Using a very thin piece of roving, spin around one finger several times to create a tail. Hot glue on bunny's butt.

Carrot

Row 2: Ch 1, turn, 2 hdc in same and next - 4 sts

Edging: Ch 1, turn, starting in same, 2 sc2tog over next 4 sts, ch 1, rotate piece to work down raw edge of carrot, sc evenly down edge, ch 1, sc evenly up raw edge, join to first sc

Finish off and weave in ends. Using Color G, add fringe for carrot greens.

Sew or hot glue on wall hanging.

Finishing

Cut plastic canvas just under the measurements of your top portion of wall hanging (Rounds 1-18). Insert canvas and sew up bottom using Color A and working under bunny butt and pot.

Weave in ends. Single crochet wooden dowel on top of wall hanging (or attach a strand to each corner for hanging).

Add any embellishments.
