## Materials

- o Yarn: Furls Crochet Wander Palette (Tidal used in pictures, or 5 colors of choice)
- o Hook: H 5.00mm, I 5.50mm, K 6.50mm, Q 18.00mm
- o Scissors
- o Yarn Needle
- o Measuring Tape
- o Furls Lucet Fork (Used for the hanging planter)
- o 2 Wooden Rings (one for each hanging planter)

### Love your Plants!

On stitch combo, three different looks! This design works great with 3, 5, or even more colors! Looking for a stash buster? This pattern is the perfect choice.

Not only do you get to use up those little leftovers, but you get to dress up some plant pots!

INTERMEDIATE

## Sizing

- These measurements are approximated, and actual subjects may vary.
- Gauge: Noted on each section
- This pattern comes in the 3 variations that can be adjusted multiple ways. Each section will discuss ways to adjust sizing.

## Pattern Key

- Ch: Chain
- Sc: Single Crochet
- Hdc: Half Double Crochet
- Sc3tog: Single Crochet 3 Together
- Slst: Slip Stitch
- St(s): Stitch(es)
- \*: Repeat according to instructions

*You are free to sell your work from this pattern but may not share, copy or reproduce this pattern, in part or in whole. Photographs are copyright protected and may not be used. When selling your work, include a link back to this pattern as well as the following, "Pattern by Crystalized Designs"*  
**THANK YOU FOR YOUR PURCHASE!!!**

**Special Pattern Notes:** Beginning chain does not count as a stitch unless noted. Chains are not included in counts.

**Stitch chart below shows pattern repeats.** Do not use for any counts, chart is for reference only.

### Pot Cover

Gauge: 15 hdc, 10 rows = 4" with H hook

Magic Circle

Round 1: Ch 1, 10 hdc in circle, join - 10 sts

Round 2: Ch 1, 2 hdc in each st around, join - 20 sts

Stop here for 2" pot cover

Round 3: Ch 1, hdc in same, 2 hdc in next, \*hdc in next, 2 hdc in next, repeat \* around, join - 30 sts

Stop here for 3" pot cover.

Round 4: Ch 1, hdc in same and next, 2 hdc in next, \*hdc in next 2, 2 hdc in next, repeat \* around, join - 40 sts

Stop here for 4" pot cover.

Round 5: Ch 1, hdc in same and next 2, 2 hdc in next, \*hdc in next 3, 2 hdc in next, repeat \* around, join - 50 sts

Stop here for 5" pot cover.

Round 6: Ch 1, hdc in same and next 3, 2 hdc in next, \*hdc in next 4, 2 hdc in next, repeat \* around, join - 60 sts

Stop here for 6" pot cover.

(For larger pots: Continue increases so base of pot cover is just larger than the base of the pot.)

Round 7: Using BLO entire round, ch 1, sc in same, sc3tog starting in same as sc, \*ch 1, sc3tog starting in last leg of previous st, repeat \* around, sc in last, join

Change colors every round. Carry yarn up wrong side.

Round 8: Ch 1, turn, sc in last sc of previous round, sc3tog starting in same as sc, \*ch 1, sc3tog starting in last leg of previous st, repeat \* around, sc in last, join

Repeat Round 8 until height needed to cover pot is obtained.

Finish off and weave in ends.

### **Plant Hanger**

Gauge: 14 hdc, 9 rows = 4" with I hook

Length can be adjusted as desired, lengths listed are just recommendations.

Carry yarn up edges.

Ch 26 for 7" width (Increase or decrease width by multiples of 2.)

Row 1: Starting in 2<sup>nd</sup> ch from hook, sc, sc3tog starting in same, \*ch 1, sc3tog starting in last leg of previous st, repeat \* across, sc in same ch as last leg

Row 2: Ch 1, turn, sc in same, sc3tog starting in same, \*ch 1, sc3tog starting in last leg of previous st, repeat \* across, sc in same

Repeat Row 2 until length is equal to the width.

Edging:

Work over yarn that was carried up edges.

Round 1: Ch 1, turn, 3 sc in same, sc in each st across working 3 sc in last st, rotate work to work down raw edge, sc in each row end to beginning ch, rotate work to work across beginning ch, 3 sc in first ch, sc each ch across working 3 sc in last ch, rotate work to work up raw edge, sc in each row end, join

Finish off and weave in ends.

Figure out length of i-cord needed by taking length of plant hanger desired, multiply that number by 2. Add the width of the piece just made. Take in account that the cord will stretch.

Make 2 i-cords equal in length desired. Weave each end of one i-cord through parallel holes made by 3 scs in corner of edging. Weave each end of the other through the other side. Pull tight. Loop wooden ring through two ends of the same i-cord. Secure all 4 ends of the i-cords together and weave in ends. (Or let ends hang as fringe.) Wooden ring can be brought to the top to hang.

### **Plant Hammock**

Gauge: 5 sc, 6 rows = 4" with Q hook

Ch 70 with Q 18.00mm hook (increase or decrease length by multiples of 2)

Row 1: Starting in 2<sup>nd</sup> ch from hook, sc, sc3tog starting in same, \*ch 1, sc3tog starting in last leg of previous st, repeat \* across, sc in same as last leg

Row 2: Ch 1, turn, sc in same, sc3tog starting in same, \*ch 1, sc3tog starting in last leg of previous st, repeat \* across, sc in same

Repeat Row 2 for a total of a total of 10 rows

Edging, with K 6.50mm hook

Round 1: Ch 1, turn, sc in same and each st across to last st, rotate piece to work down raw short edge, work 2 sc in each row edge, rotate piece to work up beginning ch, ch 1, work 1 sc in same space, sc in each ch across, ch 1, rotate to work down other short end working 2 sc in each row end, ch 1, join to first sc

Joining:

Thread wooden ring on opposite short side. Join short sides right side together. Ch 1 and work though both parallel scs on each short side to join the piece in a circle.

Finish off and weave in ends. Bring wooden ring to the top for hanging.

Remember to use a drip trays if plants are not in a cachepot, or remove plants before watering. Keep away from children as hanging planters may be a choking hazard.
