Each set of Pineapples (round 6-13) should measure approximately 5.5". Standard and Tunic shirt lengths, plus the short and long Dress lengths may need adjustment depending on individual torso and leg lengths. Stitch height gauge, if not matched, may also alter length of garment.

**Yardage:** Each sections of pineapples take approximately {135, 150, 165, 180, 180, 195} yards. *An additional 180-220 yards are needed for bodice and edging.* One section makes a standard shirt length, 2 sections makes a tunic length shirt, three sections makes a thigh length dress, four sections makes a calf length dress, five sections makes an ankle length dress.

### Finishing Edging

Round 1: Ch 1, hhdc in same and next dc, 3 hhdc in next ch 3 space, hhdc next 8 dc, 3 hhdc next ch 3 space, hhdc next 2 dc, skip ch 1 space, \*hhdc next 2 dc, 3 hhdc in next ch 3 space, hhdc next 8 dc, 3 hhdc next ch 3 space, hhdc next 2 dc, skip ch 1 space, repeat \* around, join

Repeat Round 1 until desired length is obtained. Finish off and weave in ends.

### Neckline Edging

Join yarn in back on neckline. Using F hook, hhdc in each beginning chain and each raw edge of the strap. Join and finish off. The edging is meant to be tight so straps do not get overly stretched over time. If yarn pulls too tightly, substitute a G hook.

Finish off and weave in ends.

### Armhole Edging

Join yarn in back underarm area. Using F hook, hhdc in each beginning chain and each raw edge of the strap. Join and finish off. The edging is meant to be tight so straps do not get overly stretched over time. If yarn pulls too tightly, substitute a G hook.

Finish off and weave in ends.

### Blocking Garment

It is recommended to block the garment. You can find a [Wet Blocking Crochet Projects Tutorial here.](#)

### Attaching Sewn Skirt

To attach a sewn skirt under the garment, this [Easy Half Circle Skirt Sewing Tutorial by It's Always Autumn](#) is what I used to complete the garment. The tutorial says to take the waist measurements but you'll need to take the circumference of the last round of the Bodice. Length will also need to be altered to accommodate length of crocheted garment made. Once the skirt is sewn, attach to crocheted piece at bottom of Bodice by either hand sewing or machine sewing 2 pieces together. Finish off any remaining ends and secure.
