THANK YOU FOR YOUR PURCHASE!!!

Special Pattern Notes: Beginning chain 1 does not count as a stitch. Always work the first stitch into joining stitch unless noted. Join to first stitch of each round unless noted.

Stitch counts will remain the same as previously listed unless otherwise noted. When counts are listed, they will be listed with 1-3 year first, 3-10 year second, and then Teen/Adult.

If you wish to work the same color changes as pictured within this pattern, work edging and first round of cowl in color A, 2 rounds in color B, 1 round in color A. Then repeat the following color changes: 2 more rounds of color A, 1 color B and finishing with a round of color A.

Edging is hidden when worn but is there to add warmth as the body of the cowl is lacy (and it matches the Sierra Slouch Hat.) If you prefer not to include this edging, skip to the body of the cowl. Instead of working round 1, chain according to the stitch count loosely. Work round 2 in chains as indicated.

Specialty Stitching:

Puff Stitch: *YO, insert hook in stitch indicated, YO and pull up a loop loosely* repeat 2 more times (7 loops on hook,) YO and pull through all loops on hook

Puff Stitch Cluster (puff st cl): puff st, [ch 3, puff st] repeat once more in same st.
Should have 3 puff stitches with a ch 3 between each of them.

V Stitch (v-st): [dc, ch 1, dc] all in indicated st

Reverse Single Crochet (rsc): Work a single crochet from left to right instead of right to left.
