Special Pattern Notes: Beginning chain 1 does not count as a stitch. Always work the first stitch into joining stitch unless noted. Join to first stitch of each round unless noted.

Stitch counts will remain the same as previously listed unless otherwise noted. When counts are listed, they will be listed with 1-3 year first, 3-10 year second, then teen/adult.

If you wish to work the same color changes as pictured within this pattern, work brim and first 2 rounds of body of hat in color A, 2 rounds in color B, 1 round in color A and the rest of the body in color B.

It is suggested that the thinner brim only be made for the 1-3 year age group. The thinner brim will not cover the ears completely for the larger age groups.
