**THANK YOU FOR YOUR PURCHASE!!!**

**Special Pattern Notes:** Beginning chain 1 does not count as a stitch. Join to first stitch of each round unless noted.

When counts are listed, they will be listed in sequential order.

If your stitch height is shorter than gauge, please make sure you follow schematic for proper measurement of the arm holes. If it is significantly less than what is shown, repeat the following row until proper length is reached: Ch 1, turn, slst in next ch 2 space, ch 1, sc cl in same and each space across

A worsted yarn can be used instead of bulky yarn. A thicker worsted yarn works best. If using a thinner worsted, garment may look 'holey'. It is possible to achieve desired effect with smaller hook but working the next size up.

**Specialty Stitching:**

**Single crochet cluster (sc cl):** [sc, ch 2, sc] in space/stitch indicated

**Single crochet cluster decrease (sc cl dec):** sc2tog using next 2 ch 2 spaces, ch 2, sc in same
