Special Pattern Notes: Beginning chain does not count as a stitch. Always work the first stitch into joining stitch unless noted. Join to first stitch of each round unless noted.

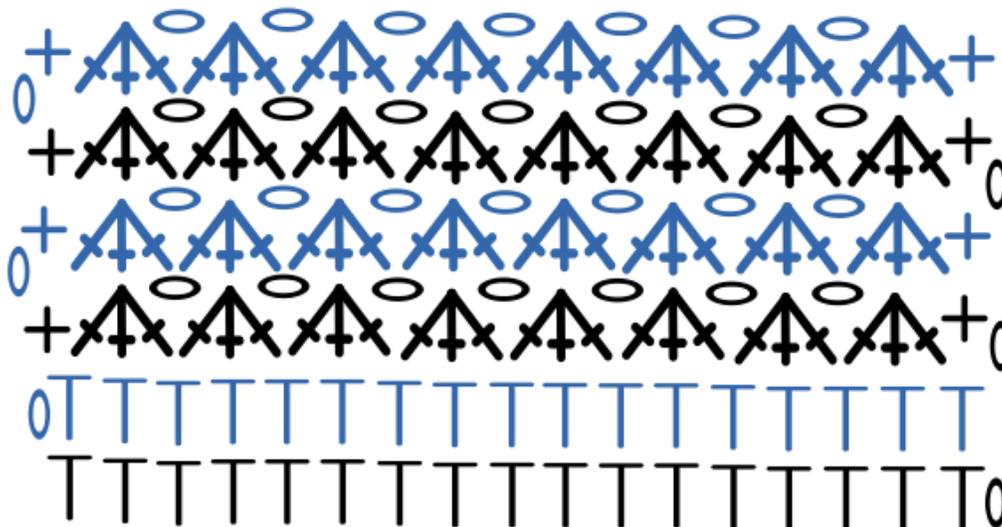

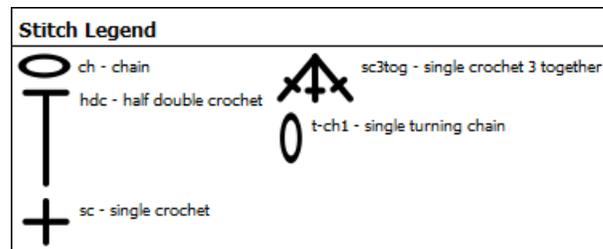

When stitch counts are listed, they will be listed in sequential order.

This garment is worked from the top down, starting with the back yoke, switching to the front yoke, then working the body of the garment. After hip edging is complete, the cowl neckline and armhole edging is added.

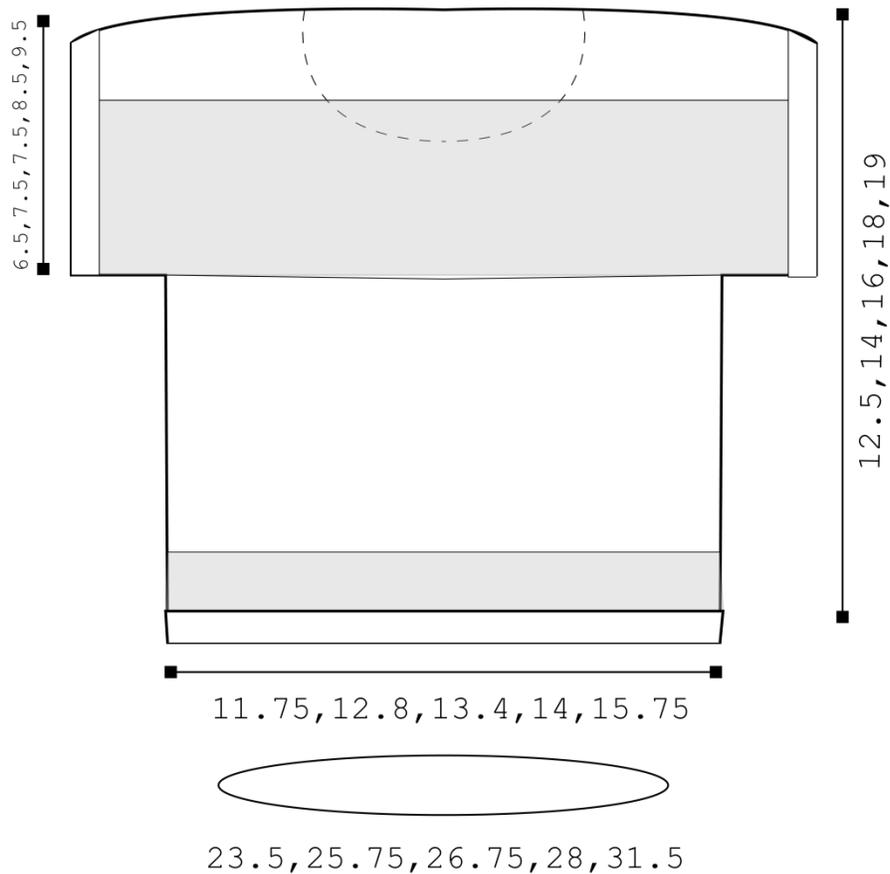

When working in any half double crochets, work between all 3 horizontal bars.

More than 3 colors can be used (4 colors used in main picture). If using more than 3 colors, you will not end on Color C after repeating the sc3tog rows/rounds.

If you prefer your garment to have a tighter fitting waist, go down one hook size when working Back of Garment.

Measurements in inches.
Garment has a positive ease.

Finish off leaving a few inch tail.

Body of Garment

With right side facing, join yarn in {7, 5, 5, 5, 3} stitch in
from the right on last row worked on Front of Garment.

Round 1: Ch 1, hdc in same and next {40, 44, 46, 48, 54} sts,
turn piece so right side of Back of Garment is facing you,
skip {6, 4, 4, 4, 2} sts in from the right on last row worked
on Back of Garment, hdc in next {41, 45, 47, 49, 55} sts,
join to 1st st worked on Front of Garment - 82, 90, 94, 98,
110 sts

Round 2: Ch 1, hdc in each st around, join - 82, 90, 94, 98, 110 sts

Repeat Round 2 until piece measure {9.5, 10.5, 12.5, 14, 15}" measuring from back side of neckline. Increase or decrease as desired. Remaining Rounds should add approximately {3, 3.5, 3.5, 4, 4}".

Round 3: Ch 1, hdc2tog starting in same, hdc in remaining sts around, join - 81, 89, 93, 97, 109 sts

For the remaining rows in this section, alternate between your 3 (or more) colors in the same order as the Yoke. Carry yarn down the inside of the garment. Again, work chains very loosely.

Round 4: Ch 1, sc in same, sc3tog starting in same, *ch 1, sc3tog starting in last leg of previous st* repeat * across, sc in same st as last leg of previous st - 40, 44, 46, 48, 54 sc3tog

Round 5: Ch 1, turn, sc in same, sc3tog starting in same, *ch 1, sc3tog starting in last leg of previous st* repeat * across, sc in same st as last leg of previous st - 40, 44, 46, 48, 54 sc3tog

Repeat Round 5 {3, 6, 6, 9, 9} more times. You will need to turn in the next round if you do not end with the right side facing. You will now work on the hip edging. Switch to a H hook.

Round 6: Ch 1, hdc in each sc3tog and each ch around, join - 81, 89, 93, 97, 109 sts

Round 7: Ch 1, hdc in each st around, join - 81, 89, 93, 97, 109 sts

Repeat Round 7 once more. (Repeat additional rounds if you prefer the edging to be longer.) For the next round, you may add elastic cord to reduce the hip edging from stretching out. Once tied, the elastic should only be slightly less than the circumference of the last round you worked. You can find a tutorial on how to add elastic [here](#).

Round 8: Ch 1, sc in each st around, join - 81, 89, 93, 97, 109 sts

Finish off and weave in ends.

Armhole Edging

First, sew up underarm area using the remaining unworked stitches in last rows from back and front yoke using tails. Secure and weave in ends. Using an H hook, join Color A in end of *last row* on Garment Back (should be color C if using 3 colors). You will now work in the row ends of back and front yokes.

Round 1: Ch 1, hdc in each row end around, join

Repeat Round 1 {2, 2, 2, 3, 3} more times. Finish off and weave in ends. Repeat with other armhole.

Cowl Neckline

Join yarn with H hook in left most unworked stitch on Back Yoke of Garment with right side facing of back of garment.

Round 1: Ch 1, hdc down each row end of Front Right Yoke, hdc in each hdc across Front Yoke, hdc up each row end of Front Left Yoke, hdc across Back, join

Round 2: Ch 1, hdc in same and each st around, join

Repeat Round 2 until length of cowl (starting from Round 1 of Cowl Neckline) measures 5-7" depending on preference. Increase or decrease length as desired.

Finish off and weave in ends.
