### Beauty in a Bonnet!

Precious little bonnet for that perfect little girl!  
I've always adored little girls in bonnets so when my photographer had her baby girl, I decided it was the perfect opportunity to design one! Lacy, feminine and delightful, this bonnet is a perfect match for any girl!

Picture above uses the following:  
**1 skein Red Heart Shimmer color Ivory**  
3.5 oz, 100 g, 280 yds, 256 m

**THANK YOU FOR YOUR PURCHASE!!!**

**Special Pattern Notes:** Beginning chain 1 does not count as a stitch. Work first stitch into joining stitch unless noted. Join each round to the first stitch.

If your width from back to front doesn't match the chart above, repeat rows 2 and 3 until you reach that length making sure to end with row 3.

To make the bonnet hug the face when worn, switch to a hook 1 or 2 sizes smaller on the last 2 rows. If you notice the last few rows starting to flare out, this is recommended.

Finish off and weave in ends. You can also use a hook two sizes smaller if you would like it more tight around the neckline.

Optional: Weave ribbon through shells or add any embellishments.
