Repeat Row 3 & 4 until desired length is reached, ending on Row 4. Continue to Edging below. Chart below is suggested measurements. Increase or decrease as desired.

	Length
Crop Top	12.5"-15"
Shirt	23"-26"
Tunic	28"-32"
Mid Thigh	33"-37"
Mid Calf	43"-46"

Edging

When working along the raw edge, work roughly 2 sc per row.

Row 1: Ch 1, turn, 3 sc in same, work a sc in each stitch, one sc in each ch 1 space, and 3 sc in each ch 3 space across the bottom to last dc, 3 sc in last dc, sc evenly up side of vest, sc in each beginning ch that has a stitch in it and 3

sc in each ch space around neckline, sc evenly down opposite side of vest, join - st count varies

Row 2: Ch 1, turn, sc in same and each st around to bottom edging on opposite side (do not work along bottom edge) - st count varies

If adding a button, measure 9" down front neckline and mark stitch on either right or left side. If you want the button on the right, mark the left side. If you want the button on the left, mark the right side. If not adding a button, ignore the ch loop in Row 3 and just sc around edge.

Row 3: Ch 1, turn, sc in same and each st around to marker, ch 5 (button loop), slst to sc just made, sc remaining sts around - st count varies

Finish off and weave in ends. Sew button directly across from button loop.

Arm Hole Edging

Join yarn in any chain with a sc in it on underarm area with right side out. When working along the raw edge, work roughly 2 sc per row.

Round 1: Ch 1, sc in same, work 3 sc in each ch 3 space, each ch with a sc in it, and evenly around arm hole - st count varies

Finish off and weave in ends. Repeat with other Arm Hole.

Blocking is recommended. You can find a wet blocking tutorial [here](#).
