**Special Pattern Notes:** Beginning chain does not count as a stitch unless noted.

This pattern is mainly worked in the round. Use a stitch marker to help count rows by marking first stitch of each round. When joining with a color change, pull as tight as possible to align colors.

It's easier to work when black yarn is precut. 6 yards will be needed for the top two stripes and 6 yards will be needed for the bottom two stripes. 4 yards will be needed for the oval appliqué.
